

# WHERE THE ACTION IS TOUR BIO

Do you remember running home after school to catch the **Dick Clark produced television series, Where The Action Is ?**

That great music/variety show, which ran on the **ABC network** in 1965, 1966 & 1967, and featured **Paul Revere and The Raiders** and took you to locations across the US, but was filmed mostly on the beaches of California.

The show also featured the hottest young acts of the day, performing their current hit records, complete with plenty of goofing off with Paul and the band. What a fantastic time it was!

**Where The Action Is** tour is reminiscent of the tours the acts did with **Paul Revere and The Raiders** back in the **60s**. It's a traveling time machine that will take you back to that free, fun-loving time, presenting acts that were on the TV show, and performing their hit songs just like you remember them.

The tour features **Paul Revere and The Raiders**, plus their guest stars - very similar to what the public was seeing on the original TV show. There's a surprise around every corner, and memories that will bring you right back to that great time in your life!
